L. Ron Hubbard, Founder

The Mission of the Saint Hill Special Briefing Course

by L. Ron Hubbard

If you don't get results, all the publicity and good opinion in the world will do nothing. Your standard is quality, not opinion. From quality opinion stems.

The more better people you turn out the better this world will be and that is the end of it. It goes no further than this.

You're dealing with living beings. When you make a living being that can really function effectively in the society you don't have to show people what you can do. Things will get DONE. You put him out there in the society, and he's happy as a clam about what you've done for him and he's happy as a clam about what he's doing. You're building a society — you're not trying to "show" a society that you are doing something.

The final analysis of an auditor is not what a good press agent he is but how well he can audit. The final analysis of an organization is not what a good press department it has but how well it can train and process people. There is no further test.

Finance, the amount of money a person makes, is some index of success. It always is in this society. I don't care how many rabble rousers are going around saying people who make money are no good, it is always an index of a certain amount of service, the amount of money a person makes. But look, if it is NOT an index of service then it must be dishonest money.

So the basic mission is the delivery of quality in service. And that is the only mission we've got. Now if we do this, and if we ourselves in the process get the bonus of getting Clear, this gets to be pretty darn terrific.

You've got the fundamental building blocks under a new civilization. You haven't got a bunch of rickety props holding up a rickety civilization. How many wars have we had within our own memories? It's quite numerous, isn't it. War is a symptom of insanity. Do you think you can bolster this thing up? I'm afraid not. But you CAN lay the fundamentals and foundations of a new civilization — not a new order, a brand new thing. Not by saying to people "you must do so-and-so and you mustn't do so-and-so or we are going to shoof you." That is the old pattern. But by actually having in their midst people who actually do know what they're doing and who are not guided by their aberrations. Now if that thing all by itself could happen you'd get a new civilization.

It isn't up to us to tell people what kind of a civilization they should have. It is more up to us to put it in their reach to have one. And that's what Man has never been able to do before.

The whole mission of the Special Briefing Course at Saint Hill is making people able to get RESULTS. And if we don't do that then we have failed utterly. That's the whole mission.

How do you get to be a superb auditor? It's just by knowing all the little parts and just knowing them perfectly.

That's what it takes to become a master of the craft. And don't think you're going to get results, real honest-to-god results, if you're anything less.

Your have broadly, broadly workable technology. But at the same time we inherit along with it a precision of application which knows no second class. All of the various points which make precision in auditing must be actually precise.

When you sit down across from an auditor who does his E-Metering so well that he never worries about an E-Meter, he does his TRs so well that he never worries about his TRs, he knows what he is supposed to do with the processes he is given, and he does just these things — and honest, as a pc you just say "Gosh. It's so easy. I am so comfortable sitting here being audited." How come? Is it because the auditor was born the seventh son of the seventh son? Is it some fantastic presence of some kind?

It doesn't happen to be either of these things. It would be because the auditor knew the little points of auditing absolutely perfectly, did them as a whole with perfection so that he was under no tension by reason of auditing, because he knew all the parts, and could then apply fundamentals to what he was doing.

And you yourselves, if you learn your business here, will go home and you'll sit down and start to audit somebody — somebody that you used to audit — and they'll say "My god, what happened to you?" And there really wasn't anything that happened to you except you were doing less. And you were doing it much less ardently than you used to do.

And the results just fly. Nothing to it. You finish up two, three, four hour sessions, perfectly calm, you'd just as soon audit another two or three hours — you're under no tension, you're under no not-know.

First and foremost attaining any result requires a technology. Well, we have those technologies.

You also have to get a confidence that when you sit down and audit somebody by these technologies he is going to get a result. So that takes the last not-know out of it — is the pc going to gain or win? And what you're doing today, if you keep doing it right the pc keeps winning, the pc just wins, that's all, the pc goes on winning and you all of a sudden get confident of the fact that if you audit, the pc's going to win. Bang. That's all there is to it. You win, the pcs win, everybody wins. That's the final tension that goes out of it.

And after that, the results you could get in auditing are just fantastic.

And frankly, that's what I expect you to learn how to be able to do — to audit like a master before you get out of here.

What Ron Says About the Saint Hill Special Briefing Course

AUDITOR TRAINING

Training IS the route Ron recommends! To see why, read these excerpts from lectures he has given:

"The best way and the most sure fire way to get to be OT is to be a top rank auditor . . .

A non-Scientologist is so surrounded by confusion that his present time is insufficiently calm for him to have any progress in the direction of OT.

Training is definitely, definitely, definitely a part of the route to OT. Definitely. This is something that it is not 'nice' to be a part of. This is something that is a vital part of becoming OT."

Saint Hill Special Briefing Course
lecture of November 7, 1963

"Oddly enough, the best time to study auditing is when you're aberrated — when the thing looks impossible, when you can achieve subjective reality on the grimness of it."

Ability Magazine, 1958

"If you want a good auditor at Grade VI and VII, why, become one!"

Saint Hill Special Briefing Course
lecture of July 26, 1966

"The best way to get Clear is to be a good auditor Those people who do not give good auditing, oddly enough, are those who are making the least progress. It gets averaged out along the line."

Saint Hill Special Briefing Course
lecture of November 22, 1962

"The cruelest thing you could possibly do would be to audit somebody through to Clear, not train him, not have him know anything about being an auditor, not know anything about the Bank, not know anything about his life, not know anything about himself, not know anything about anything. Now he has this terrific potential to know and you haven't made it possible for him to assimilate the technology which has brought him to this state."

ASHO CELEBRATES 10 YEARS OF RON'S

The Founding of ASHO

August 1968

The following is taken from the Auditor Journal, 1968, a special Edition which announced the Grand Opening of the first American Saint Hill Organization, in Los Angeles, California.

Out of the beautiful and rustic splendor of Saint Hill Manor in England, came the original 13 highly trained Staff Members who headed the all new American Saint Hill Organization. A new era in Scientology was created. It all began with an order from L. Ron Hubbard to set up a Saint Hill in the United States of America. To carry out this order, two very capable Sea Org members were sent to Saint Hill in the United Kingdom.

Their Mission . . . ?

To choose and train professionals to head the American Saint Hill Organization!

The thirteen were carefully chosen and after two weeks of intensive and rugged training the small group was ready and very eager to begin the job that each had been thoroughly trained to do.

On August 10, 1968 the band of 13 boarded the airplane that was to jet them to America to begin another chapter of the exciting adventure of Scientology.

Upon arrival in the sunny city of Los Angeles, California, the Group was surprised and jubilant to hear the news of another first in Scientology history. Ron had ordered that a new Advanced Organization be situated right next door to the Class IV Los Angeles Organization. (The Los Angeles Organization has served the city of Los Angeles for 12 years.

The Complete road from Introductory Lectures to O.T. was and is attainable in exciting L.A.

The Sea Org members of the OT Liaison Office had made all arrangements to insure that L. Ron Hubbard's postulate for a new Saint Hill was a success. A new, sprawling, air con-

ditioned building to house the American Saint Hill Organization was leased.

Word had been sent to all Org's that the new Saint Hill would be in operation on the 15th day of August 1968. The news spread like wildfire throughout the United States and Canada and shortly thereafter Special Briefing Course Students and Power preclears were trickling into Los Angeles for their next step on the road to Clear.

On the 10th day of August, 1968 when the thirteen arrived, students were waiting to start their Class VI courses and pcs were anxiously awaiting their auditors.

But the new building would not be ready for 5 more days.

The Sea Org trained thirteen were undaunted. ASHO "set up shop" on the porch of the Los Angeles Org and proceeded to get to the business of the day: Training the first American Saint Hill Special Briefing Course Students and Auditing Power Preclears.

During this time, while the students were studying Ron's greatest gift to mankind - Standard Tech. - 10 Power pcs were released on the fabulous Power Processes.

On the 17th day of August, 1968 the thirteen (plus 8 more Staff Members who had been recruited) moved into the new building. Ron's famous Saint Hill Special Briefing Course was begun in a huge, well lighted room . . . with 4 students!

Six months later there were 346 American Saint Hill Special Briefing Course Students alone.

Since that eventful opening of the American Saint Hill students and preclears from across the United States and Canada have been pouring into Ron's second Saint Hill for their next step on the Road to Clear.

Ron's promise has been fulfilled. An American Saint Hill is established.

Ron's show is marching down The Road To Total Freedom.

ASHO August 1968 - March 11, 1978. On March 12, 1978 the American Saint Hill Organization opened its doors in its new home on 1413 N. Berendo Street, Los Angeles, California. This photo shows the Saint Hill Special Briefing Course's first home in America. Here many Class VI's were made and the grand Power Processes were delivered to the hundreds of Grade IV's who came to ASHO to take their next step to Clear and OT.

ASHO TODAY

August 1978

Now, 10 years later ASHO celebrates its Anniversary.

On March 12, 1978 ASHO opened its doors to receive the many students and preclears in their new home, located on 1413 N. Berendo Street, Los Angeles, California.

Many preparations had been made for this day to come, the Sea Organization in Los Angeles were all active to carry out L. Ron Hubbard's intentions to have ASHO move into its new location at the center span of the Los Angeles' Bridge.

Then on March 11, 1978, after the last student had closed his books for the night the staff of ASHO, other Sea Organization members, as well as many enthusiastic students and preclears, started the wave of trucks, huge moving vans, and cars, to move the first American Saint Hill Organization to its new home. Till the wee hours of the morning, every piece of furniture, all the Briefing Course tapes, Technical Volumes, and E-Meters were properly placed in their new offices. At 9:00 the doors opened, at ASHO's new location, and in rushed the preclears, and students all eager to see where their course rooms, and auditing rooms would be!

Today ASHO Day, has instead of just 13 highly trained staff members, well over 60 to insure that you are receiving the quick and speedy attention you need on your travel up the Bridge.

The new ASHO building is 4 times the size of the original ASHO, with such conveniences as:

- * Huge Lobby and Reception area
- * ASHO's own private student entrance
- * Centrally located elevators for easy access to any floor and service
- * Spacious and upstat waiting area for preclears, in the Hubbard Guidance Center
- * Informative directories posted to assist you in finding your way around the new organization

- * Separate, expanded space for the Qualifications Library, to become a showplace for Ron's Standard Technology and Policy
- * An abundance of auditing rooms in the Hubbard Guidance Center
- * Large course room facilities to accommodate the ASHO students and the future ASHO students
- * Parking facilities (enough parking for 850 cars)
- * An excess of clean, hygienic, operational restroom facilities on every floor
- * Expansion space and more!

The Bridge is laid out for you here in Los Angeles. You can enter at the beginning of the Bridge at the Los Angeles Continental Organization, move on up to ASHO Day, the Center of the Bridge, and have easy access to the Advanced Organization Los Angeles, when you are ready to go Clear and OT—all in the space of 2 blocks!

Find out for yourself what awaits you on the Saint Hill Special Briefing Course. You'll listen to taped lectures by L. Ron Hubbard on the "secrets" of Clear and OT—such tapes as Clearing Breakthrough, Future Technology, the Free Being, The Well-Rounded Auditor, About Rhodesia and many others will answer your questions about auditing, about the Bridge, about Ron and about Scientology.

As a Class VI auditor you have the certainty of the technology of Dianetics and Scientology and you can put it to the best use in your life and with your preclears.

So the American Saint Hill Organization's expansion began, Ron's intention were again carried out! The American Saint Hill Organization is awaiting your arrival, contact the Registrar at the Church of Scientology of California 1413 N. Berendo Street, Los Angeles, CA. 90027 (213) 660-5553

NEWS FROM ARC

"L. Ron Hubbard, who is the Founder of Dianetics and Scientology, has developed techniques which are used by many, if not most, of the top psychic and spiritual awareness organizations."

THE ILLINOIS SOCIETY FOR PSYCHIC RESEARCH HAS AWARDED L. RON HUBBARD THE NATIONAL LIFE ACHIEVEMENT AWARD

"For excellence in enhancing the study, public knowledge, and growth of psychic and spiritual awareness data."

Many outstanding men and women were mentioned during the discussion and voting process for all our awards. The Annual Award Committee deliberated many hours on the selection of the first recipient of our National Life Achievement Award. The choice was hard, owing to the many, many fine men and women who have contributed to the fields of spiritual awareness and psychic information, but the final selection won by a large margin and deservingly becomes the first winner of ISPR's National Life Achievement Award.

The 1978 recipient is: L. RON HUBBARD.

L. Ron Hubbard, who is the founder of Dianetics and Scientology, has developed techniques which are used by many, if not most, of the top psychic and spiritual awareness organizations. Hubbard has developed a language which is the first adequate westernized version of yogaic and Vedaic training languages. His contributions in

psychic, spiritual awareness, medical, educational, and perceptual research and teaching are many. To name a few, from L. Ron Hubbard have come successful techniques of study, of handling basic trauma and harmful life pattern decisions, of handling a person who is in shock, of past life recall and repair, and many other wide reaching discoveries.

Many of the top psychics in the nation, including Ingo Swann, who has been called "Super Psychic," credit their development to Hubbard's techniques.

We award the first National Life Achievement Award to a remarkable man, L. Ron Hubbard.

Best Selling Author Praises Ron and His Book

"Have You Lived Before This Life?"

The new edition of Ron's "HAVE YOU LIVED BEFORE THIS LIFE" released in March 1978 is already in its 3rd printing!

HAVE YOU LIVED BEFORE THIS LIFE is one of a kind. No other book in history has ever given so much data to prove the existence of past lives. Its appeal is not limited to Scientologists as it brings non-Scientologists to enlightenment as well.

An example of the effect HAVE YOU LIVED BEFORE THIS LIFE creates is best demonstrated by a letter sent to Sue Anderson, LRH PRO International from Mr. Frank De Felitta. Mr. De Felitta is the author of the best selling book and major motion picture "Audrey Rose". ("Audrey Rose" is the fictional story of a young girl stuck in a past life death incident who is compulsively re-experiencing the death in her next life.) Here is what Mr. De Felitta has to say about RON and HAVE YOU LIVED BEFORE THIS LIFE.

"Dear Sue,
"I have read Mr. Hubbard's Have You Lived Before This Life? several times and I am delighted to make the following comments, which you may quote:

"I consider L. Ron Hubbard's Have You Lived Before This Life? a masterwork - surely written and with a confidence that is joyous. It offers an open door through which all may enter - Scientologist or not - and be served, at last, with the truth of life beyond death via the selected testimonies of dozens of unique persons who, during auditing sessions, re-live episodes in their past lifetimes extending back into trillions of years of remembered experiences. This book is not a polemic, nor is it a desicated scientific tract, but a punchy, palatable, engrossing read that is within every man, woman, and child's intellectual reach, and that masterfully succeeds in defining who we are, where we come from, and where we're heading, and I don't mean the collective mass, but as human individuals. It is a work of inestimable value and importance - the bread and water of life, and death - simply and eloquently told.

"With all best wishes and continued happiness.

Yours affectionately,

Frank De Felitta"

NOTE:
POLEMIC -

RON MOSS, OT VII, Class IV Permanent goes over some communication from L. Ron Hubbard, with his assistant Linda Peterson-Ekstrom, Class VIII, OT III.

Musician Working on Wide Dissemination

Ron Moss, OT VII, Class IV Permanent, as well as Honorary Sea Organization member and Honorary L. Ron Hubbard's Public Relations Officer, is helping to disseminate the successes of Dianetics and Scientology into the wide public.

He is the Executive Director for Chick Corea Productions, and is also training on the Executive Director Course at Flag.

Roger Saunders, Class VIII, first told Ron Moss about past lives back in 1967 and he became interested and soon after Roger took him up the Grades of Release.

After Power Processing, he was promoted at his job to Marketing Manager, with 25 Representatives, and 5 Area Sales Managers under him.

Soon after Power Ron heard Chick and Return to Forever and decided that Chick was the only musician he wanted to work with — and now he is!

Professionally Ron has been playing the trombone since he was 15 years old, and just finished his first tour with

Chick Corea, which was a long time goal.

About auditor training Ron has to say, "It's more than 50% personal case gain. Training let's you channel things correctly. Without being a Class IV Auditor you'd just be dispersed. It makes it possible to handle any situation that may come up in the world and then being OT VII gives you the intention!"

His staff are all Scientologists and they use L. Ron Hubbard's administrative technology daily! Their success shows the world the workability of Scientology and Ron Moss himself plans to continue training on such courses as the Management Course and Expanded Dianetics Course.

He is working right now to get Chick's latest album "Mad Hatter" to a million seller, which will heighten the many dissemination possibilities. He is also working with L. Ron Hubbard on some upcoming scores to be released shortly.

World's Top Bassist Pays Tribute to Ron

Stanley Clarke, regularly polled as the world's leading bassist, has an interview in DOWN BEAT magazine (July 13, 1978 issue) in which he pays tribute to L. RON HUBBARD. Stanley is also the feature cover of this issue.

DOWN BEAT interviewer Chuck Carman says: "Stanley Clarke's achievements in the music business are no secret. For the past seven years he collaborated with Chick Corea in the fusion band Return to Forever, sharing record production chores with Corea. He has produced his own albums; the fifth,

MODERN MAN, was hit-bound almost from the moment of release. He has three outside production credits to date — Dee Dee Bridgewater's JUST FAMILY is the latest.

"For a while, Clarke wrote a magazine column aimed at young bassists. He has worked often as a side man, and is now considering doing that with McCoy Tyner. He has written and conducted strings and brass on many albums, and has written many tunes recorded by himself and others. Occasionally, he even sings. His future plans include writing a

comprehensive multi-volume treatise on the acoustic bass.

"All this provokes some envy — particularly since Stanley Clarke is only 27 years old"

In the interview Stanley says that he has a lot to thank L. Ron Hubbard for, and gives Ron's viewpoint on artists being the creators of civilization.

Stanley has been commended many times by Ron for his outstanding performance as a Professional Scientologist, and we can all be very proud of Stanley and his achievements.

Scientologists Pioneering In Alaska

Alaska! To many the name brings pictures of giant icebergs and limitless glaciers of frozen waste. To some, thoughts of dark unexplored forests stretching out limitlessly, cold and uninviting, of raging tractless rivers unnamed and impassable. But it wasn't any of those things to Elaine Kelly, Class VIII, OT VII, and her husband Owen Kelly, OT VII. To them it was a pioneer adventure. An opportunity to go where they had not gone before and to take Scientology, and the teachings and technology of L. Ron Hubbard to someplace new and untried. In Elaine's words "... we were looking at a map of the world, it had all the Scientology Orgs and Missions marked with little gold stars, and we looked at Alaska and there was none. I said to Owen, let's put a star up there". And thus began an adventure that was to place not one but TWO stars on that map!

It all started in January of 1975 when Elaine and Owen decided to go to Alaska and establish a foot hold for Scientology. Owen flew to Anchorage, Alaska's largest city, located in the south central part of the State on Cook Inlet, leaving Elaine in the lower '48, and got the job as a commercial bush pilot. After getting established with a steady income, Owen returned to the States and he and Elaine, armed with books and materials and a couple of names, started off, in the dead of winter, on an 1800 mile trip which was to bring them to Anchorage.

Arriving in Anchorage in March 1975 they lost no time in setting up shop in a public campground parking lot and held their first Scientology meeting on the 13th of March 1975 at the home of some people they had met that day.

Their first meeting was a total success and before spring they had 5 Ps and 3 students on the Mission's lines.

These two pioneers really made it go right that first winter. Owen says of it, "those first days were really enjoyable, it was all Elaine's show as far as the Mission, she successfully held every post, wore every hat and took care of all the needs of our marriage too".

"My first year was spent working a job to build up funds to get a bigger and better facility for the Mission to move into."

Owen studied and shortly became a welder, and rose to become an inspector. Owen is now one of the senior inspectors for the British Petroleum Co. in Prudhow Bay. Owen attributes his success at his new profession to Scientology. He became an inspector shortly after going Clear on August 16, 1976. He was promoted to senior inspector for BP Inc. not long after attaining full OT VII this year.

Elaine says that being OT and tech trained to Class VIII really helped to get through and succeed, because there was no one else there who was at the time.

There are now a total of 8 OTs in the State of Alaska and more are expected this year. Elaine says that it is now very nice here with 8 OTs as there is a lot of intention, now and strength toward the goal of a cleared Alaska.

In June of 1977 Elaine's daughter Becky, OT IV, HSST, joined the team in Anchorage and was followed shortly afterwards by her husband Jerry Rachiff. Jerry is now the E/D of the Mission, freeing Elaine to continue her promotional good works for Scientology.

Shortly after acquisition of the Mission building, the Mission produced it's first grade release. His name is Patrick Killkullen, an Irish citizen, and 747 Jet Capitan for Japan Airlines. Patrick flies into Anchorage from Tokyo and other places around the globe for his auditing. He was complete on Life Repair in August of 1977 and is now a grade one. Patrick expects he will go Clear this year.

Elaine attended the New OT Civilization Convention at The Flag Land Base recently, and came back loaded with new programs and ideas for expansion. Seminars and lectures are being planned and done. Plans are currently underway for a Mission in Juneau and possibly one in Keni, Alaska in the near future.

MARIO ROBLES, OT V, CLASS VI, shows his portfolio to an interested onlooker.

Briefing Course Graduate Beautifies ASHO!

Briefing Course Graduate, OT V, Mario Robles is the originator of the fabulous painting that hangs proudly in ASHO reception.

A Scientologist since 1969, when he first took the Communication Course in Berkeley, Mario started painting after he received Power Processing at ASHO in 1973. "After Power I could read music better, I wrote 2 books, and regained my abilities to really paint" says Mario.

And ever since then, Mario has painted better and better. He works with acrylics and is kept busy between his training at ASHO Day and his studio.

"Power increased my abilities to hold a position and create," says Mario.

He is also a Saint Hill Special Briefing Course graduate, "My whole life has changed since I arrived at ASHO. Every day more things are really understandable. I would never have been able to maintain dealing with people before Power, now I have the power and the data from the Briefing Course to maintain it!"

Mario plans to do his training at ASHO to Class VIII. He is currently on the Expanded Dianetics Course at ASHO Day, and is co-auditing with Class VI John Colletto.

NEW ASHO POWER RELEASE WINNING

Pauline Frechette Berk, recent ASHO Power Release left ASHO with incredible wins. "I have absolute certainty on how I'm here and why I'm here. I don't need to withhold my power anymore — I can get my job done!" says Pauline.

First introduced to Scientology by OT VII, Mike Garson in 1976, both Pauline and her husband, Albie (HSDC Graduate, and drummer for the popular "Starland Vocal Band") have been moving up the Bridge.

Since being at ASHO says Pauline, "I can really see what Scientology is doing on the planet".

An active Scientologist, Pauline has worked with the Citizen's Commission on Human Rights in New York, as the Director, while doing TV commercials for Arby's Roast Beef, McCall's Patterns,

and Papermate, just to name a few. All this while also teaching 10-14 singing students a week.

She placed in the top 60 finalists, out of the 100,000 who entered the American Song Festival, with her original "Me and My Friends".

Pauline plans to continue both her training and processing to at least Class VI, and Full OT VII.

She will be releasing her first album in early January, under her stage name Raven Kane. She is also closely connected to the new OT Project — "Starmakers".

"Where my life is at since I found Scientology is clearly reflected in a song I dedicate to Ron, 'My Life is a Song'. Hooray for Ron! Let's all go Clear and OT, and clear the planet", says Pauline.

PAULINE FRECHETTE BERK, just having attested to Power exits from the Examiner's booth at ASHO Day.

"STARMAKERS" Project Taking Off!

TONY ROCKLIFF, Executive Director World Wide for "STARMAKERS", in his studio in London, England.

"STARMAKERS" is a Special Project set up by L. Ron Hubbard's Personal Public Relations Bureau. Founded by field musicians, it is designed to link up Scientology musicians and get them exchanging useful data, products, services and abilities.

"STARMAKERS" goal is the recognition and acceptance of L. Ron Hubbard, Dianetics and Scientology by the broadest possible international publics towards the faster attainment of the aims of Scientology.

It was found that many Scientology musicians in different areas are being successful in varying degrees and making useful discoveries along the way but are often isolated from other Scientology musicians. With the formation of "STAR-

MAKERS" this is a thing of the past.

Some of "STARMAKERS" many purposes are: To rehabilitate artists and get them creating aesthetic effects in as many fields as possible. To assist Scientology artists to become celebrities and opinion leaders at the tops of their fields. To make it safe for artists to create, and to promote Affinity, Reality and Communication between Scientology musicians themselves and their fellow Scientologists.

The Executive Director for "STARMAKERS" is Tony Rockliff. Tony owns and successfully operates his own recording studio in England. He uses the technology of Dianetics and Scientology and runs his company with the Administrative Technology of L. Ron Hubbard.

Pakistan Demanding (and getting) Scientology

Scientology is in demand by countries all over the world! New Groups and Missions are springing up throughout South America, Europe, the US, Canada and the Middle East!

An example is what is happening in Pakistan. Not one, but several terminals, are working independently to get Scientology established in Pakistan.

One Scientology Group has their Executive Director training at St. Hill. They are also doing their legal set-ups in liaison with the Guardian Office World Wide to establish the first official Mission

in Pakistan.

Several other terminals from Pakistan have written Flag offering their assistance and demanding Scientology and Dianetics Groups be formed.

There is a PH D student in Illinois on lines at the Urbana Mission who is planning to return to Pakistan and get Ron's Study Tech introduced into the Pakistan Education system.

Pakistan has discovered Scientology. It's one more country and one step to an OT Civilization.

Planet — we are here!

UND THE WORLD

Have You Lived Before This Life? and *Dianetics* were featured in the Publications Organization exhibit of Ron's books at this year's American Booksellers Association annual convention held May 27-30 in Atlanta, Georgia.

Response to the book and the planned advertising campaign was very enthusiastic. (TV and radio ads are planned for August in New York, Los Angeles, Chicago, Washington D.C., Boston, Philadelphia, Miami, Portland, St. Louis, Dallas, Houston, San Francisco, Detroit, Cleveland, Minneapolis, plus advertising in major magazines such as *People*, *Psychology Today*, the *National Enquirer*, and more!)

The booth, designed by OT III SIMON FRANKEL and built by the hard-working Scientologists of THE MOCK UP SHOP in Atlanta (headed by Robert Jeans and Robert Dernehl), was a tremendous success. The 16,500 conventioners, buyers from stores, chains and wholesalers from across the U.S. and Canada, come each year to see what major publishers have to offer, and few left without seeing *Have You Lived*.

The major distributors for the U.S. now carry the book. (Pubs even received offers for distribution in such distant places as Japan and Holland!)

Brightly costumed figures from out of the past (ROBBIE DERNEHL, RICHARD GRANT — from Atlanta Mission) handed out buttons in front of the booth, catching the attention of practically everyone walking by. The buttons, saying "Have You Lived Before This Life?" were the hit of the show, with other exhibitors, hall staff and even the press wearing them! Costumes and buttons will also be used for local promotions in stores during the campaign.

For more information on what is planned for your area and how you can help, contact Planetary Distribution Secretary Pubs US, 4833 Fountain Ave. East Annex, L.A.

I finished another Technical Volume with it's tapes and books. I'm continually amazed by applicability of the data to my life, past and present. The data brings up my reality on Scientology and L. Ron Hubbard as well as adding to my wins.

William C. Moon

The tapes are just fantastic there probably is another word to describe it but I can't think of one. I'm almost done with Class V and already my life has changed. I love it. Thanks to Ron.

Marty Gutman

This part was really neat. Ron talked about what a preclear is looking at and everything a person looks at is just a picture - no matter what! That really hit with me because it cleaned up alot of things I was wondering about!

Charlie Blankenship

Having read most of the books in Scientology again I was continuously amazed at the amount of data Ron had discovered early on. It seemed that very little new could be discovered, I finally really realized that data is only as valuable as it has been evaluated and compared to data of comparable magnitude. As Ron was able to use time for research, etc. data that had been there from the beginning began to expand. I find myself cognizing also - it's the next best thing to having been there!

John M. Bishop

Having started the actual Saint Hill Special Briefing Course tapes and following the research toward Clearing, things are really picking up. It's amazing to me the way Ron synthesized so much earlier data in this section of the Briefing Course and piloted material heading straight into the core of the reactive mind. Plus all along the way giving tips to auditors as to how to audit better and more certainly. I have already seen this data improving my own auditing delivery. I'm ready for more.

Wayne Mize

I've learned so much on Class V and I'm looking forward to more. The theory was fantastic and I really enjoyed applying it. It's nice to know I can help another being and to watch your preclear cog and improve before your eyes. I really feel like a product. Thanks to all here at ASHO and especially to Ron.

Bob Perry

Having done most of my auditing in the field in a very "undermanned" environment, the chance to audit under superb Case Supervisors in a smooth running technical line was very enjoyable. My auditing skill and ability are much improved and my preclears are shining.

Wayne Bennett

THE SESSION

Stepping forward and exposed in communication.
A stage of but two, in icy seclusion.
All else is recessed behind shadows
and in an entirely different moment.

Reaching and now withdrawing in an expression of care.
The carbuncles and tribulations from past struggles
in training forgotten utterly now.
The wizardry of life changes impending.

The completion of a cycle pirouetting
to silence complete.
The next step a glissade' in its own moment -
penetrating and new.

Ambulant in tone as one mood begets another
and yet another.
From the cluttered recesses of the other mind
now come baritone patterns of despair.
Received with kindness patterns.

The briefest hesitation of the other
is mended by a reassuring curtsy.
Balance regained and pushing now, and finally lifting
away from the shadow realities peripheral.

Of finale and result the certainty never wavers,
yet startles both with its profoundness.
Awareness of contribution each from the other
understood with appreciation.

A miracle on the stage of two closes discretely.
Never to possibly be performed again -
till comes tomorrow.
End of session - Thank you.

Hank

Word list	
glissade'	in ballet dancing a gliding step to one side.
Pirouette	in dance, a whirling or turning about on the toes.
carbuncle	a painful and inflammatory sore or boil.
